

The Davis-Bacon Act

Certified Payroll

Powell Place Apartments

Barnesville, Georgia 30204

AR09-005

1. This form must be filled out completely, accurately and returned to our office on a **weekly basis** for your company and any other sub-contractors you use on this job. (Blank form at the end of packet or go online and fill out)
2. Enclosed are two different examples for filling out the form. One example is with taxes cut out and the other example is for paying people with 1099's at the end of the year.
3. The project or contract number is AR09-005.
4. **Put Federal ID # next to your company's name every time.**
5. **Be sure to include addresses even though form does not indicate it.**
6. **Work classification has to be on wage decision.**
7. **Be sure to list deductions from first page of payroll form to the second page of payroll form (Left side, middle, where 4 empty lines are). Do not do this if you do 1099's.**
8. Be consistent. If your payroll week ends on Wednesday, the next payroll form should start on Thursday. Fill out Day and Date on every form ending with previous day and date. No days or dates should be skipped.
9. If work is not performed that week, you will still have to fill out form with "NO WORK" on it. Be sure to complete all the standard information on form.
10. **First payroll form that is turned in needs to say "INITIAL". (1-INITIAL)**
11. **Last payroll form that is turned in needs to say "FINAL". (#-FINAL)**
12. **Signatures need to be in blue ink.**
13. Two originals need to be submitted each week.
14. If payrolls are not correct, they will need to be re-submitted in a timely fashion.
15. Requirements and forms are subject to change, depending on what Georgia requires from us.
16. The accuracy of these forms throughout the project is very important. Georgia will have to sign off on paperwork from every subcontractor submitted before they sign off on job. This could/would hold up the release of monthly funds and retainage.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in he matter? This can
be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7).
Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor

200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.

Public Burden Statement
